consisted of Chinese group, Debating society, Indian group, Pakistani group, African group, ASV and etc.

➤ English Stammtisch:

English Stammtisch used to happen twice a week in some pubs. Many students complained and suggested that would be much better to have it in uni as improving language with loud music isn't the thing, its more of partying. Convinced the English TA's to do once a week at Uni and once outside in pubs. Provide them with support and organized at Uni on Tuesdays.

➤ Workshop: CV writing & job application for international students:

On 27.11.2018 arranged a workshop which was most awaited by international students. The workshop guided the international students about job application and CV making according to German job market. The speaker was a professional from GPDM which is the organization carries out paid workshops for such students.
