

ASTa Universität Paderborn - Warburger Str. 100 - 33098 Paderborn

47. Studierendenparlament der Universität Paderborn
Warburger Str. 100
33098 Paderborn
Deutschland

Datum
01.07.2019

Tätigkeitsbericht IT für Juni 2019

Liebe ParlamentarierInnen und Studierende,

Im letzten Monat habe ich folgende Aufgaben im ASTa erledigt:

- Programmierung an bestehenden Projekten (Beheben kritischer Fehler im Copyclient) (siehe Anhang)
- Management der restlichen Fehler in der Druckersoftware auf den Servern zur Teamorganisation und nachfolgende Tests (siehe Anhang)
- Voranbringen des Vertragswerkes mit Ricoh um auf den neuen Druckern entwickeln zu können
- Voranbringen der VDI Lösung für das Hauptbüro
- Programmieren eines Copyservice-Aufwerter der mit Bankeinzug oder Kreditkarte funktioniert (siehe Anhang)
- Architektur um die Aufwerter Funktionen verbessert
- Tagesgeschäft (Support Copy + Büro + Stadtcampus, Wartung BiBo + Copyservice, Mailinglisten, etc.)

Bei tiefergehenden Fragen gerne an it@asta.upb.de schreiben oder im ASTa Git direkt meine Arbeit stalken: <https://git.uni-paderborn.de/asta>

Sonnige Grüße,

Leon Tappe

IT

Anhang: GitLab Activity für Juni (Von neu nach alt)
