Tätigkeitsbericht Referat Internationales

Sehr geehrte Parlamentarierinnen und Kommilitoninnen,
Im Folgenden möchte ich Ihnen meine Tätigkeiten des letzten Monats vorstellen.

➤ Office Hours:

Regular office hours weekly to solve the problems of international students and to facilitate them in various ways. Every student is welcome no matter German or international to avail support regarding any problems or information or coordination needed. Gather all problems in these hours, and work on solving them the whole week.

➤ Online videos for new incoming international students:

Together with the international office and some professors, we made some videos for guidance of international students on various topics. These videos will soon be online available on Uni website. These videos focus the guidance for new incoming international students.

➤ Improvement analysis of Online Matriculation project:

This was a nice project but as usual some problems were encountered. Biggest problem was the invalid amount transfer as students from different countries use local agent to transfer money and hence those agents provide different amounts as written which they cover in transaction charges.

➤ Indian Diwali Fest:

Every year Indian students celebrate festival of Diwali and hence this year too it was carried out. All support needed was provided in making the event happen.

➤ Miscellaneous:

Many other things including issuing certificates and other letters to scholarship holders and other types of students and coordinating among partner organizations.

Freundliche Grüße ,
