## Tätigkeitsbericht Referat Internationales

Sehr geehrte Parlamentarierinnen und Kommilitoninnen,  
Im Folgenden möchte ich Ihnen meine Tätigkeiten des letzten Monats vorstellen.

---

➤ Office Hours:

Office hours with appointments (until all shut down due to Coronavirus, happening online where possible and meeting where necessary) to solve the problems of international students and to facilitate them in various ways. Every student is welcome no matter German or international to avail support regarding any problems or information or coordination needed. Gather all problems in these hours, and work on solving them the whole week. However, available on call and via e-mail and still providing services.

➤ Policies for international students for coming winter semester:

Trying to sort out policies for new incoming students for the upcoming semester. Related to O-Phase, matriculation and entrance in Germany.

➤ Airport arrival problem/ deportation:

With reference to the problem explained in previous month's report. The problem was faced again in the month of July and it was encountered more often as we expected. We were able to successfully make them reach Paderborn. One highlighted case was from a group of Bengali students who arrived at Frankfurt airport. Out of 12 , only 10 were allowed to enter and rest 2 were not allowed although everyone holding same documents. They were finally allowed to enter Germany.

➤ Update of problems due to Coronavirus:

- Students who already were able to matriculate through online matriculation are arriving day by day and we trying to cater their settlement needs.

➤ Miscellaneous:

Many other things including issuing certificates and other letters to scholarship holders and other types of students and coordinating among partner organizations.

Freundliche Grüße ,
