## **Tätigkeitsbericht Referat Internationales**

Sehr geehrte Parlamentarierinnen und Kommilitoninnen,  
Im Folgenden möchte ich Ihnen meine Tätigkeiten des letzten Monats vorstellen.

---

### ➤ Office Hours:

Office hours with appointments (until all shut down due to Coronavirus, happening online where possible and meeting where necessary) to solve the problems of international students and to facilitate them in various ways. Every student is welcome no matter German or international to avail support regarding any problems or information or coordination needed. Gather all problems in these hours, and work on solving them the whole week. However, available on call and via e-mail and still providing services.

### ➤ New incoming WS 20-21:

The new students started arriving for the WS 20-21. Of course, things are still confusing related to policies due to Corona, but trying to give support wherever and whatever possible.

➤ Integrated Buddy Program:

Running the Buddy program for international students for WS-20-21 (apart from exchange students). These students started arriving and would start the session from winter semester 20-21. Due to corona extra support was needed, hence integrated it to more services from buddies to buddies. Service is completely voluntarily if the buddy wants to do it or not, which included special support in time of quarantine (due to COVID-19) for new arrivals.

➤ Policies for international students:

Still in process of sorting out policies for new incoming students for the upcoming semester. We backed them as much possible through online matriculation, fast up-to-date backup support for queries and integrated buddy program. Still O-phase is not finalized.

➤ Accommodation:

Trying to arrange accommodations for new incoming students specially for quarantine. Buddies won't be keeping any new student by themselves this time, hence its more difficult to find such temporary accommodations.

➤ Miscellaneous:

Many other things including issuing certificates and other letters to scholarship holders and other types of students and coordinating among partner organizations.

Freundliche Grüße ,
