## **Tätigkeitsbericht Referat Internationales**

Sehr geehrte Parlamentarierinnen und Kommilitoninnen,  
Im Folgenden möchte ich Ihnen meine Tätigkeiten des letzten Monats vorstellen.

---

### ➤ Office Hours:

Office hours with appointments (until all shut down due to Coronavirus, happening online where possible and meeting where necessary) to solve the problems of international students and to facilitate them in various ways. Every student is welcome no matter German or international to avail support regarding any problems or information or coordination needed. Gather all problems in these hours, and work on solving them the whole week. However, available on call and via e-mail and still providing services.

### ➤ O-phase WS 20-21:

The O-phase was mostly digital, trying to keep least physical contact. Different online sessions were offered to new incoming students for their guidance and procedures in order to make them settled.

➤ Co-ordination:

Co-ordinating among different groups related to international students, to keep them active. Many groups are demotivated and unable to perform, ultimately resulting in shut down.

➤ Incoming international students and policies:

New students arrived and still arriving every week. Due to Corona, situation is confusing, as all are enrolled online but some didn't receive their visa, which is somewhat an opposite process. Policies changing every now and then, we trying to support as much possible.

➤ Miscellaneous:

Many other things including issuing certificates and other letters to scholarship holders and other types of students and coordinating among partner organizations.

Freundliche Grüße ,
